MS Paint Competition

"The greatest device for creativity and innovation is a curious mind" Continuing with the trend of conducting different competitions to showcase the hidden talent and creativity of the students, MS PAINT COMPETITION was organised for the students of class III. Giving wings to their imagination, the students came out with colourful and meaningful interpretation on the topic 'Republic Day' through the usage of different tools and colours. The students left the judges awe - struck as they presented their talent immaculately and effortlessly.
