

RALLY ON CLEANLINESS

“Being green and clean is not just an aspiration but an action.”

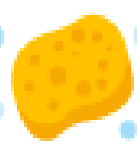

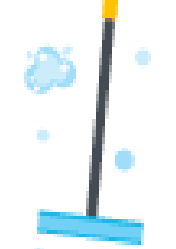

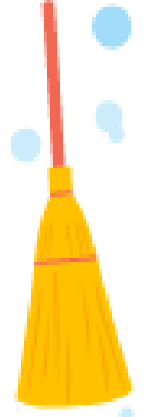

Observing the National Cleanliness Day - a virtual rally was conducted by students of Class V on January 28, 2021 two days before the National Cleanliness Day. National **Cleanliness Day** is observed annually on **30th January**, to highlight the responsibilities of Environmental **Cleanliness**. This **day** encourages us to maintain the high standards of **cleanliness** in our home, work place, roads/streets and public places and to adopt basic sanitation measures.

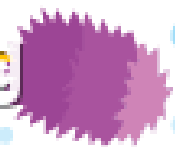

The students of Class V conducted an Awareness Virtual Rally to spread the message of the need to keep our surroundings neat and clean and to contribute to the initiative of segregation of waste. Holding thought-provoking placards in bright colours, the students raised their voice for this social cause.

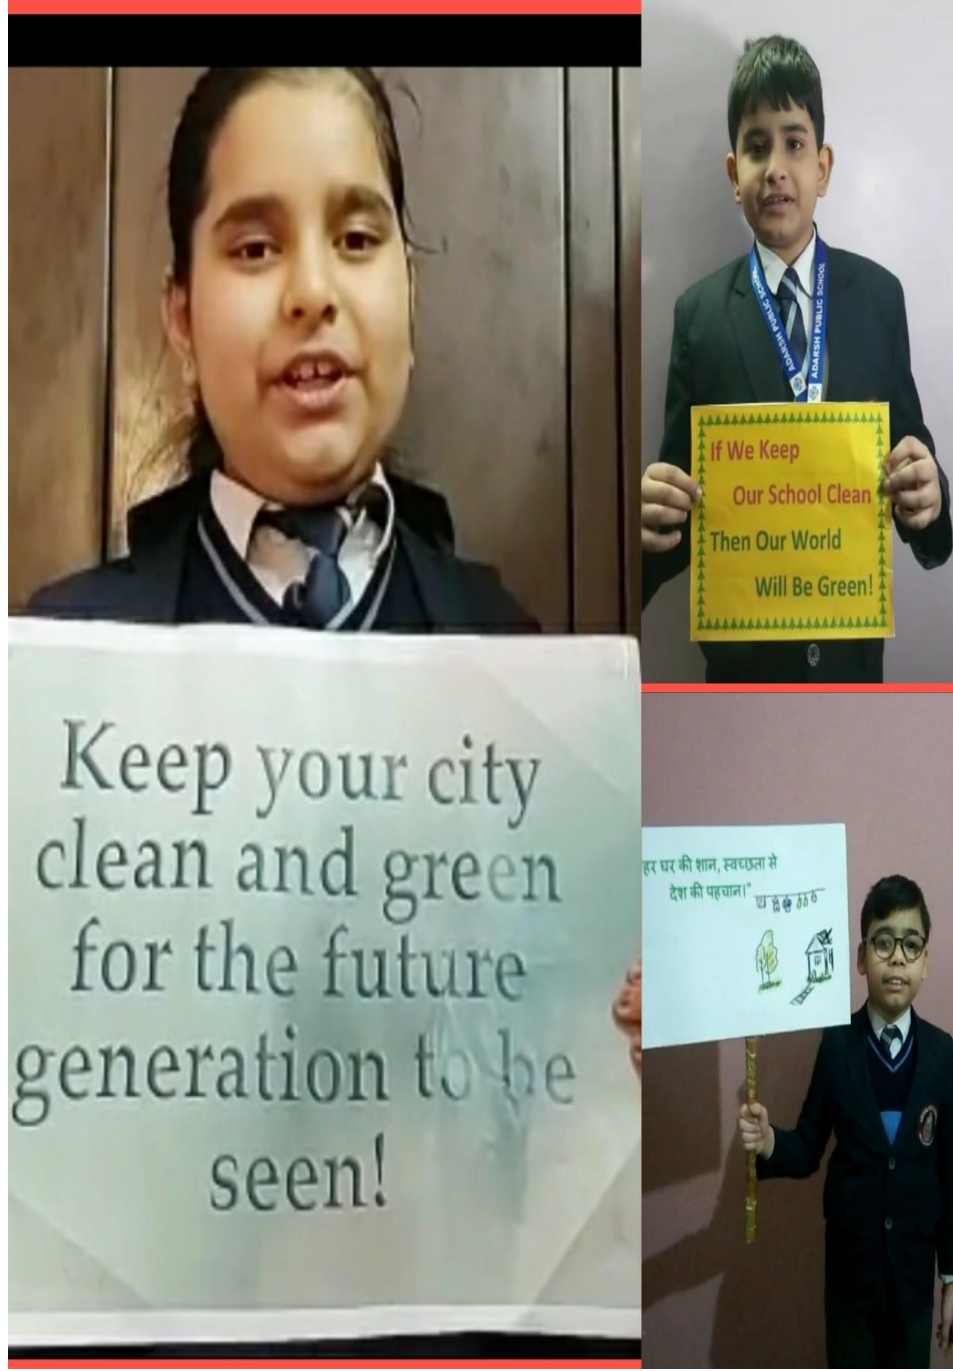

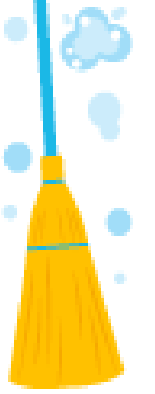

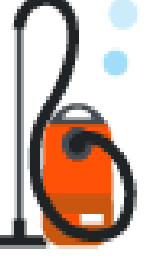

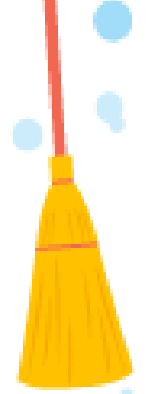

A student enacted as Gandhi ji and explained the importance of cleanliness. Videos based on 3 R's i.e., Reduce, Reuse Recycle and steps of washing hands properly were shown and explained. The rally encouraged everyone to follow the rules and keep our country neat and clean. A clean environment is a pleasure to live in. It is the duty of all to keep the environment clean and healthy.
