

Workshop on Road Safety

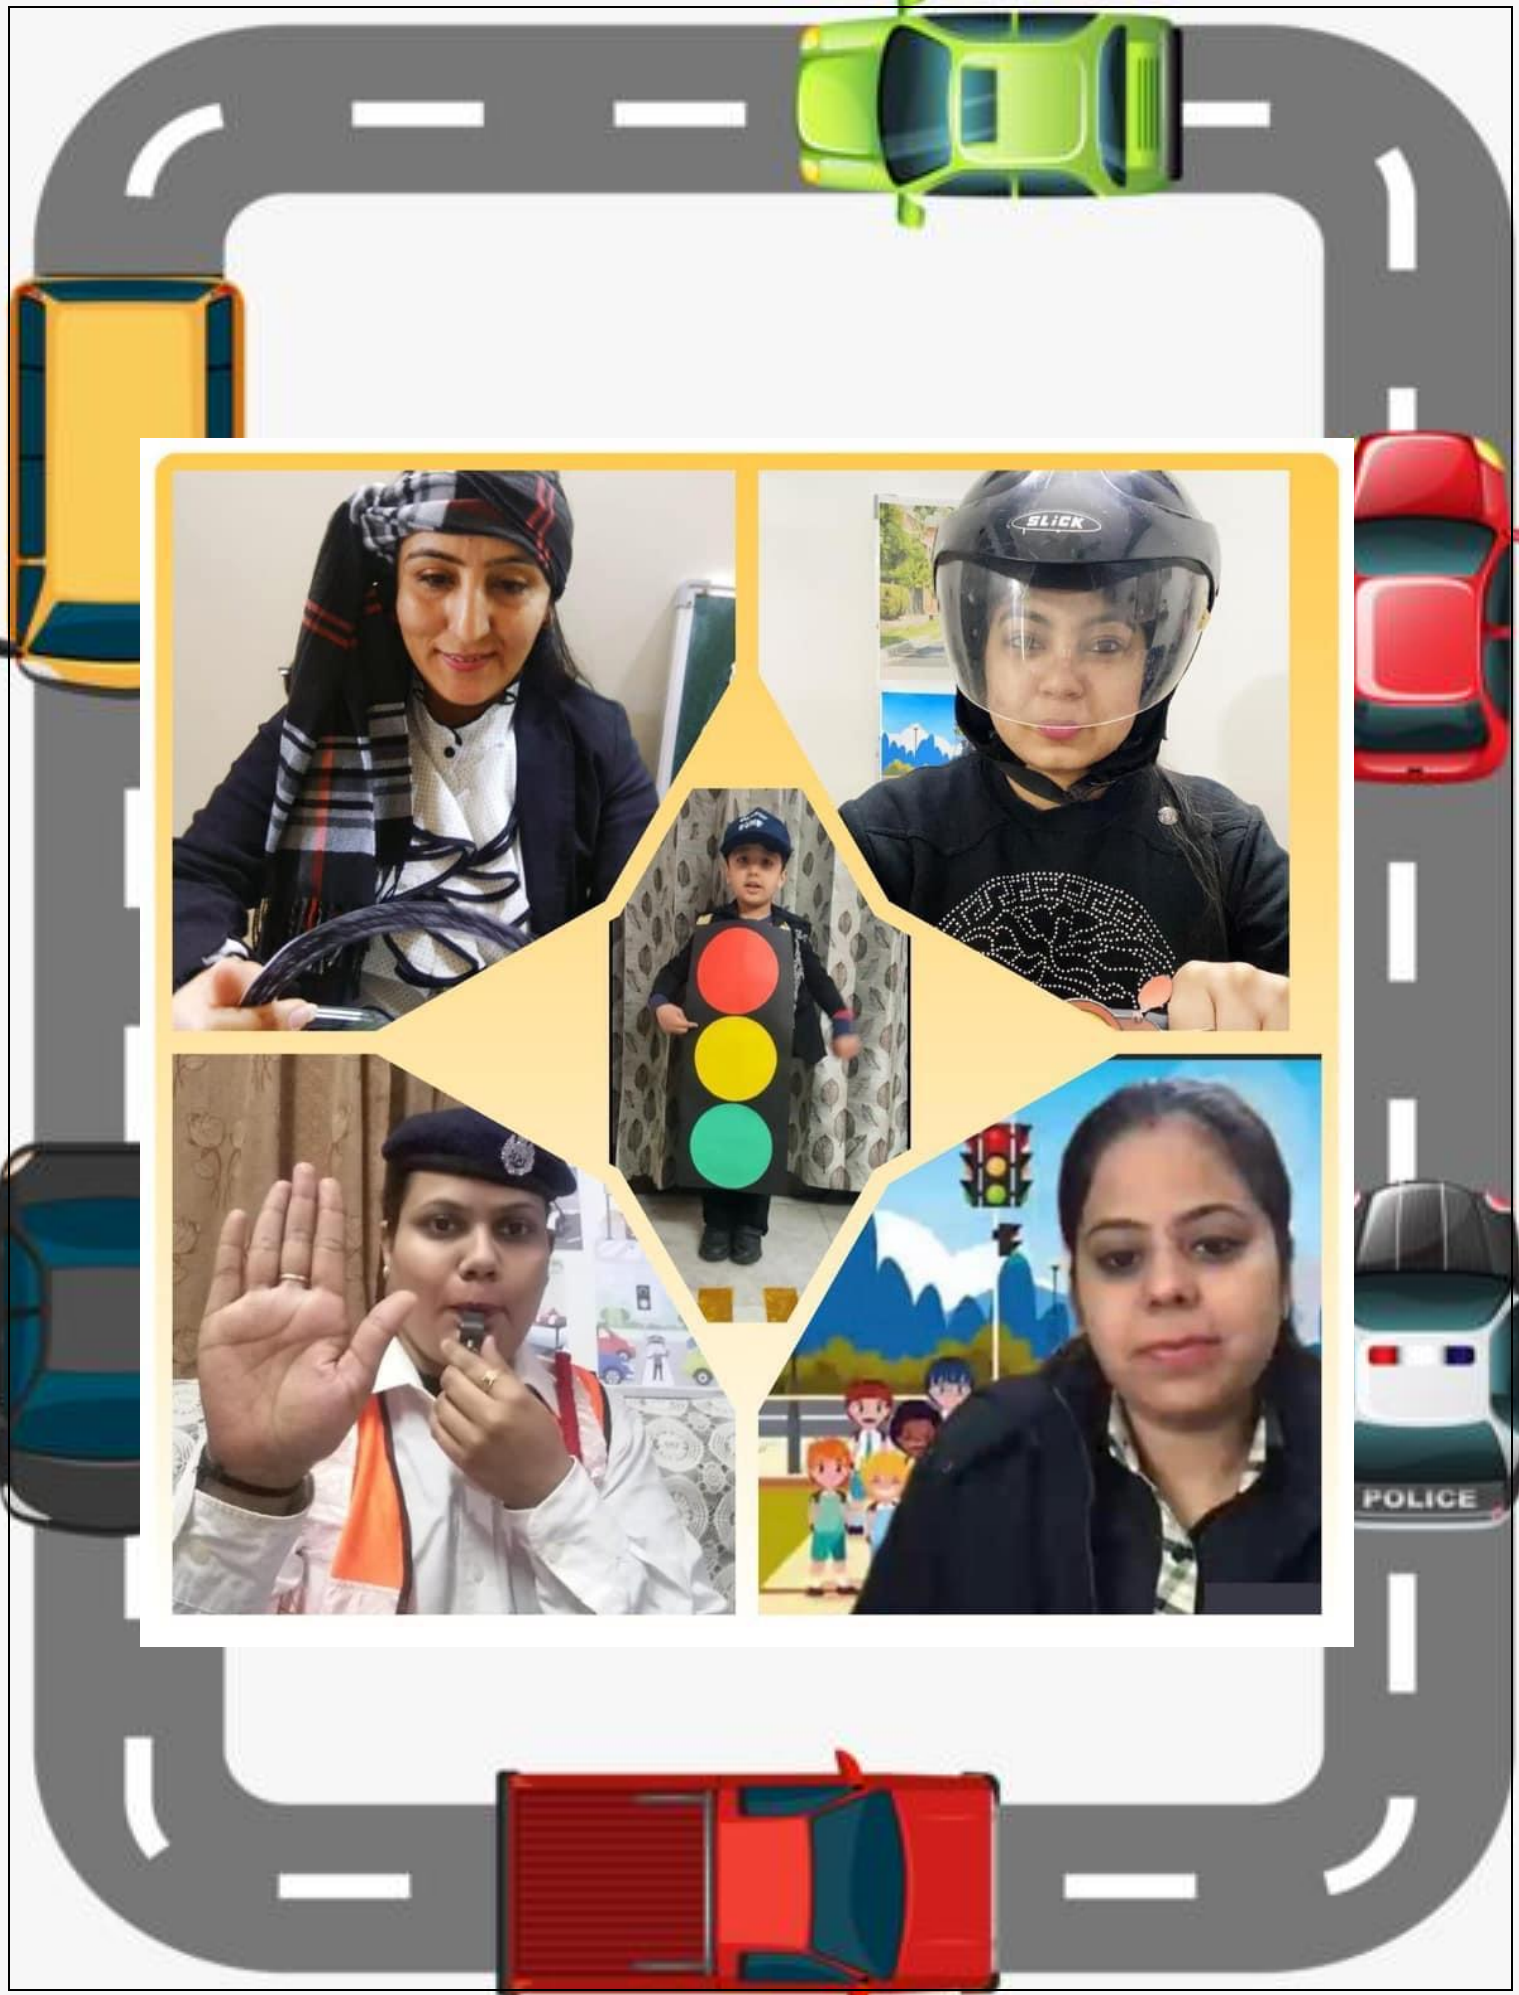

A workshop on Road Safety was conducted for Pre School and Pre Primary students on 29th January, 2021 to create awareness among the students towards the importance of safety while driving and walking on the roads. They were encouraged to follow the rules because the slightest mistake on the road can lead to a fatal accident. The children were cautioned not to be impatient and rush or run on the road, to cross only at zebra crossings, traffic signals, sub-ways and foot bridges, to respect the light signals for their own safety and smooth movement on the road.

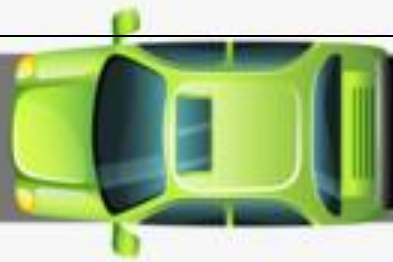

Students used beautiful placards to highlight road safety rules and traffic signs. An interactive skit was presented by the teachers to show the traffic rules that ought to be followed in order to maintain safety on road. The session was a highly informative one and encouraged all to adhere to the traffic rules and regulations.
