

HINDI CALLIGRAPHY COMPETITION

***“The art of writing is the art of
discovering what you believe.”***

Handwriting is a medium through which we can judge the persona of an individual. A good handwriting makes a pleasant reading and puts in a wonderful impact. Hence it is the earnest effort of the teacher to make sure that each child develops and displays excellent writing skills with correct formation of letters.

To develop this skill, HINDI CALLIGRAPHY COMPETITION was held on 25th January, 2021 for the students of class I. The theme of the competition was Republic Day. It was organised virtually. It was a pleasant sight to watch students working with their pencils and erasers.

Children followed the perfect strokes of Devanagari Lippi and understood the aesthetics of a beautiful handwriting. All the students participated with sheer confidence and enthusiasm. They displayed their writing skills to the best of their capabilities.
