

G.K. QUIZ

“Knowledge is the eye of desire and can become the pilot of the soul”.

Quiz competitions are always interesting and informative, which provide excitement among the students and make them aware of current affairs. In order to encourage our students to know more about our Great Nation, a quiz competition was organized for the students of **Class II**. Preliminary round was conducted on December 28, 2020. The students who performed exceptionally well in this round were selected for the final round which was held on January 20, 2021. Qualifying students were divided into three teams i.e., **Team Eagles, Team Panthers and Team Tigers**. Rules and regulations of the quiz were explained at the beginning. There were three rounds – Audio, Visual and Rapid fire. Students showcased their brilliance by rapidly answering the questions. All the teams performed well, but the team that scored the most was Team Panthers.

It was very informative & knowledge enriching competition for the participants. APS encourages such positive competitions and hopes to bring out best in all its students through such competitive events.
