

## **RAMP WALK ON NATURE**

**“Nature is the art of God.”**

**Nature is a non-returnable blessing to mankind. It is one of the greatest rewards to human life. Survival of mankind without nature is impossible. So, every form of nature be it a plant, an animal, a river, a mountain, or the natural satellite moon- everything holds equal significance for us. A RAMP WALK ON NATURE WAS ORGANISED FOR THE STUDENTS OF CLASS III wherein they were allotted class wise themes i.e., Fauna, Explore the Sky and Flora respectively. They dressed up in accordance to the themes allotted and participated with great fervour. Smashing smiles, vibrant attires and stellar performances enthralled the judges. The gala event witnessed children walking the ramp exhibiting their talent with confidence and smile. The blooming stars of tomorrow were given this platform to showcase their skills and nurture their interest in nature. The children left the judges awestruck with their performances. The parents gave infringing support by dressing their children so meaningfully and making this event a grand success.**
