

# REPORT ON BOOKMARK MAKING ACTIVITY

**"Creativity is just connecting the thoughts and spreading awareness."**

Building a routine of reading among young Adarshians and enabling them to think out of the box, a competition on Bookmark Making was organised for the students of Class II on April 24, 2021. They worked enthusiastically with different creative ideas and hues to flaunt their artistic imagination. Students used handmade paper, paints, glitter, adhesive etc. for the same. They enjoyed making bookmarks as it was an opportunity for them to display their talent and creativity. The activity aimed at providing the students kinesthetic learning by letting them make pour out their thoughts and use different artistic techniques to create the bookmarks. It was indeed a fun-filled activity.
