

# POETIC SYMPHONY

Held on April 20, 2022

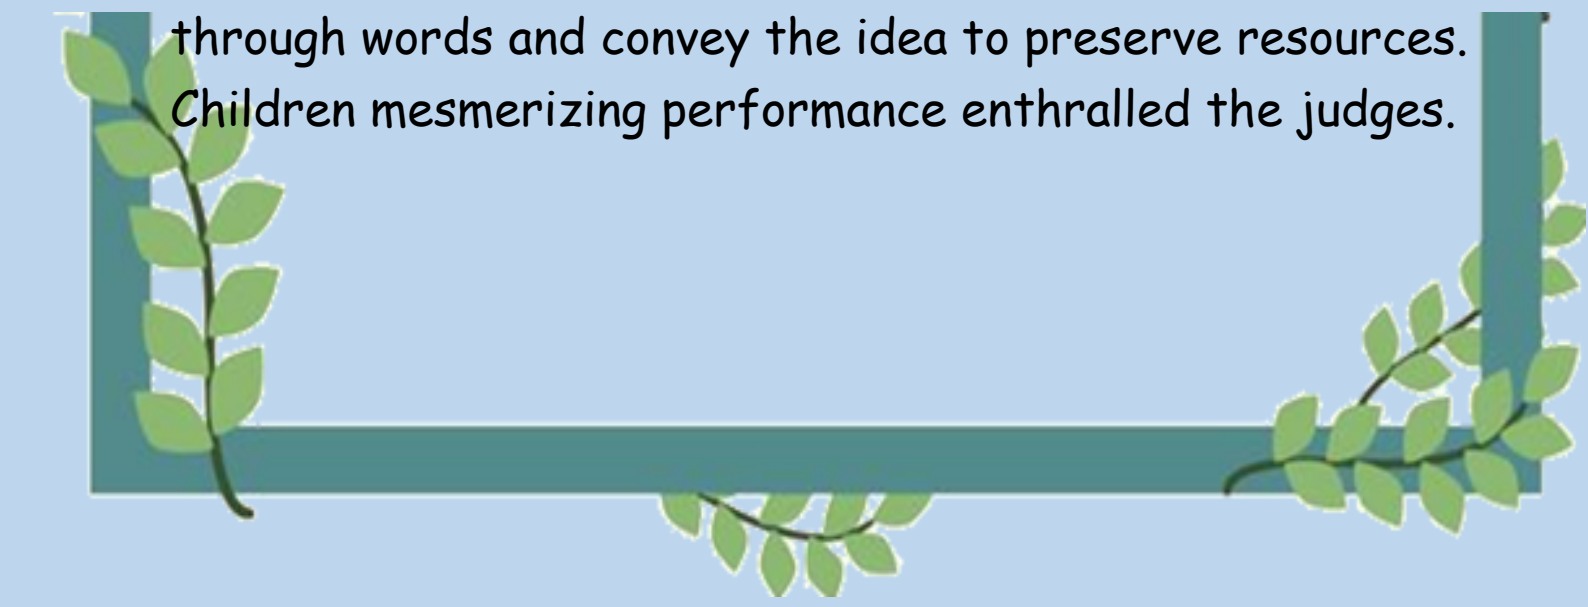

Class-IV

***"Poetry is a rhythmical creation of beauty in words"***

Earth Day is an international event celebrated around the world to pledge support for environmental protection.

Students of class IV showcased their poetic talent in 'Poetic Symphony' held on the topic 'Earth'. They came up with original ideas which they demonstrated with beautiful props and recited the poems with impressive voice modulation and expression. The main purpose of the activity was to create awareness amongst the people about conserving our environment and adapting the methods to use resources judiciously. They were also able to connect themselves to the nature and appreciate its beauty.

Students got an opportunity to describe their feelings through words and convey the idea to preserve resources. Children mesmerizing performance enthralled the judges.
