

# ENGLISH RECITATION COMPETITION

## CLASS IV

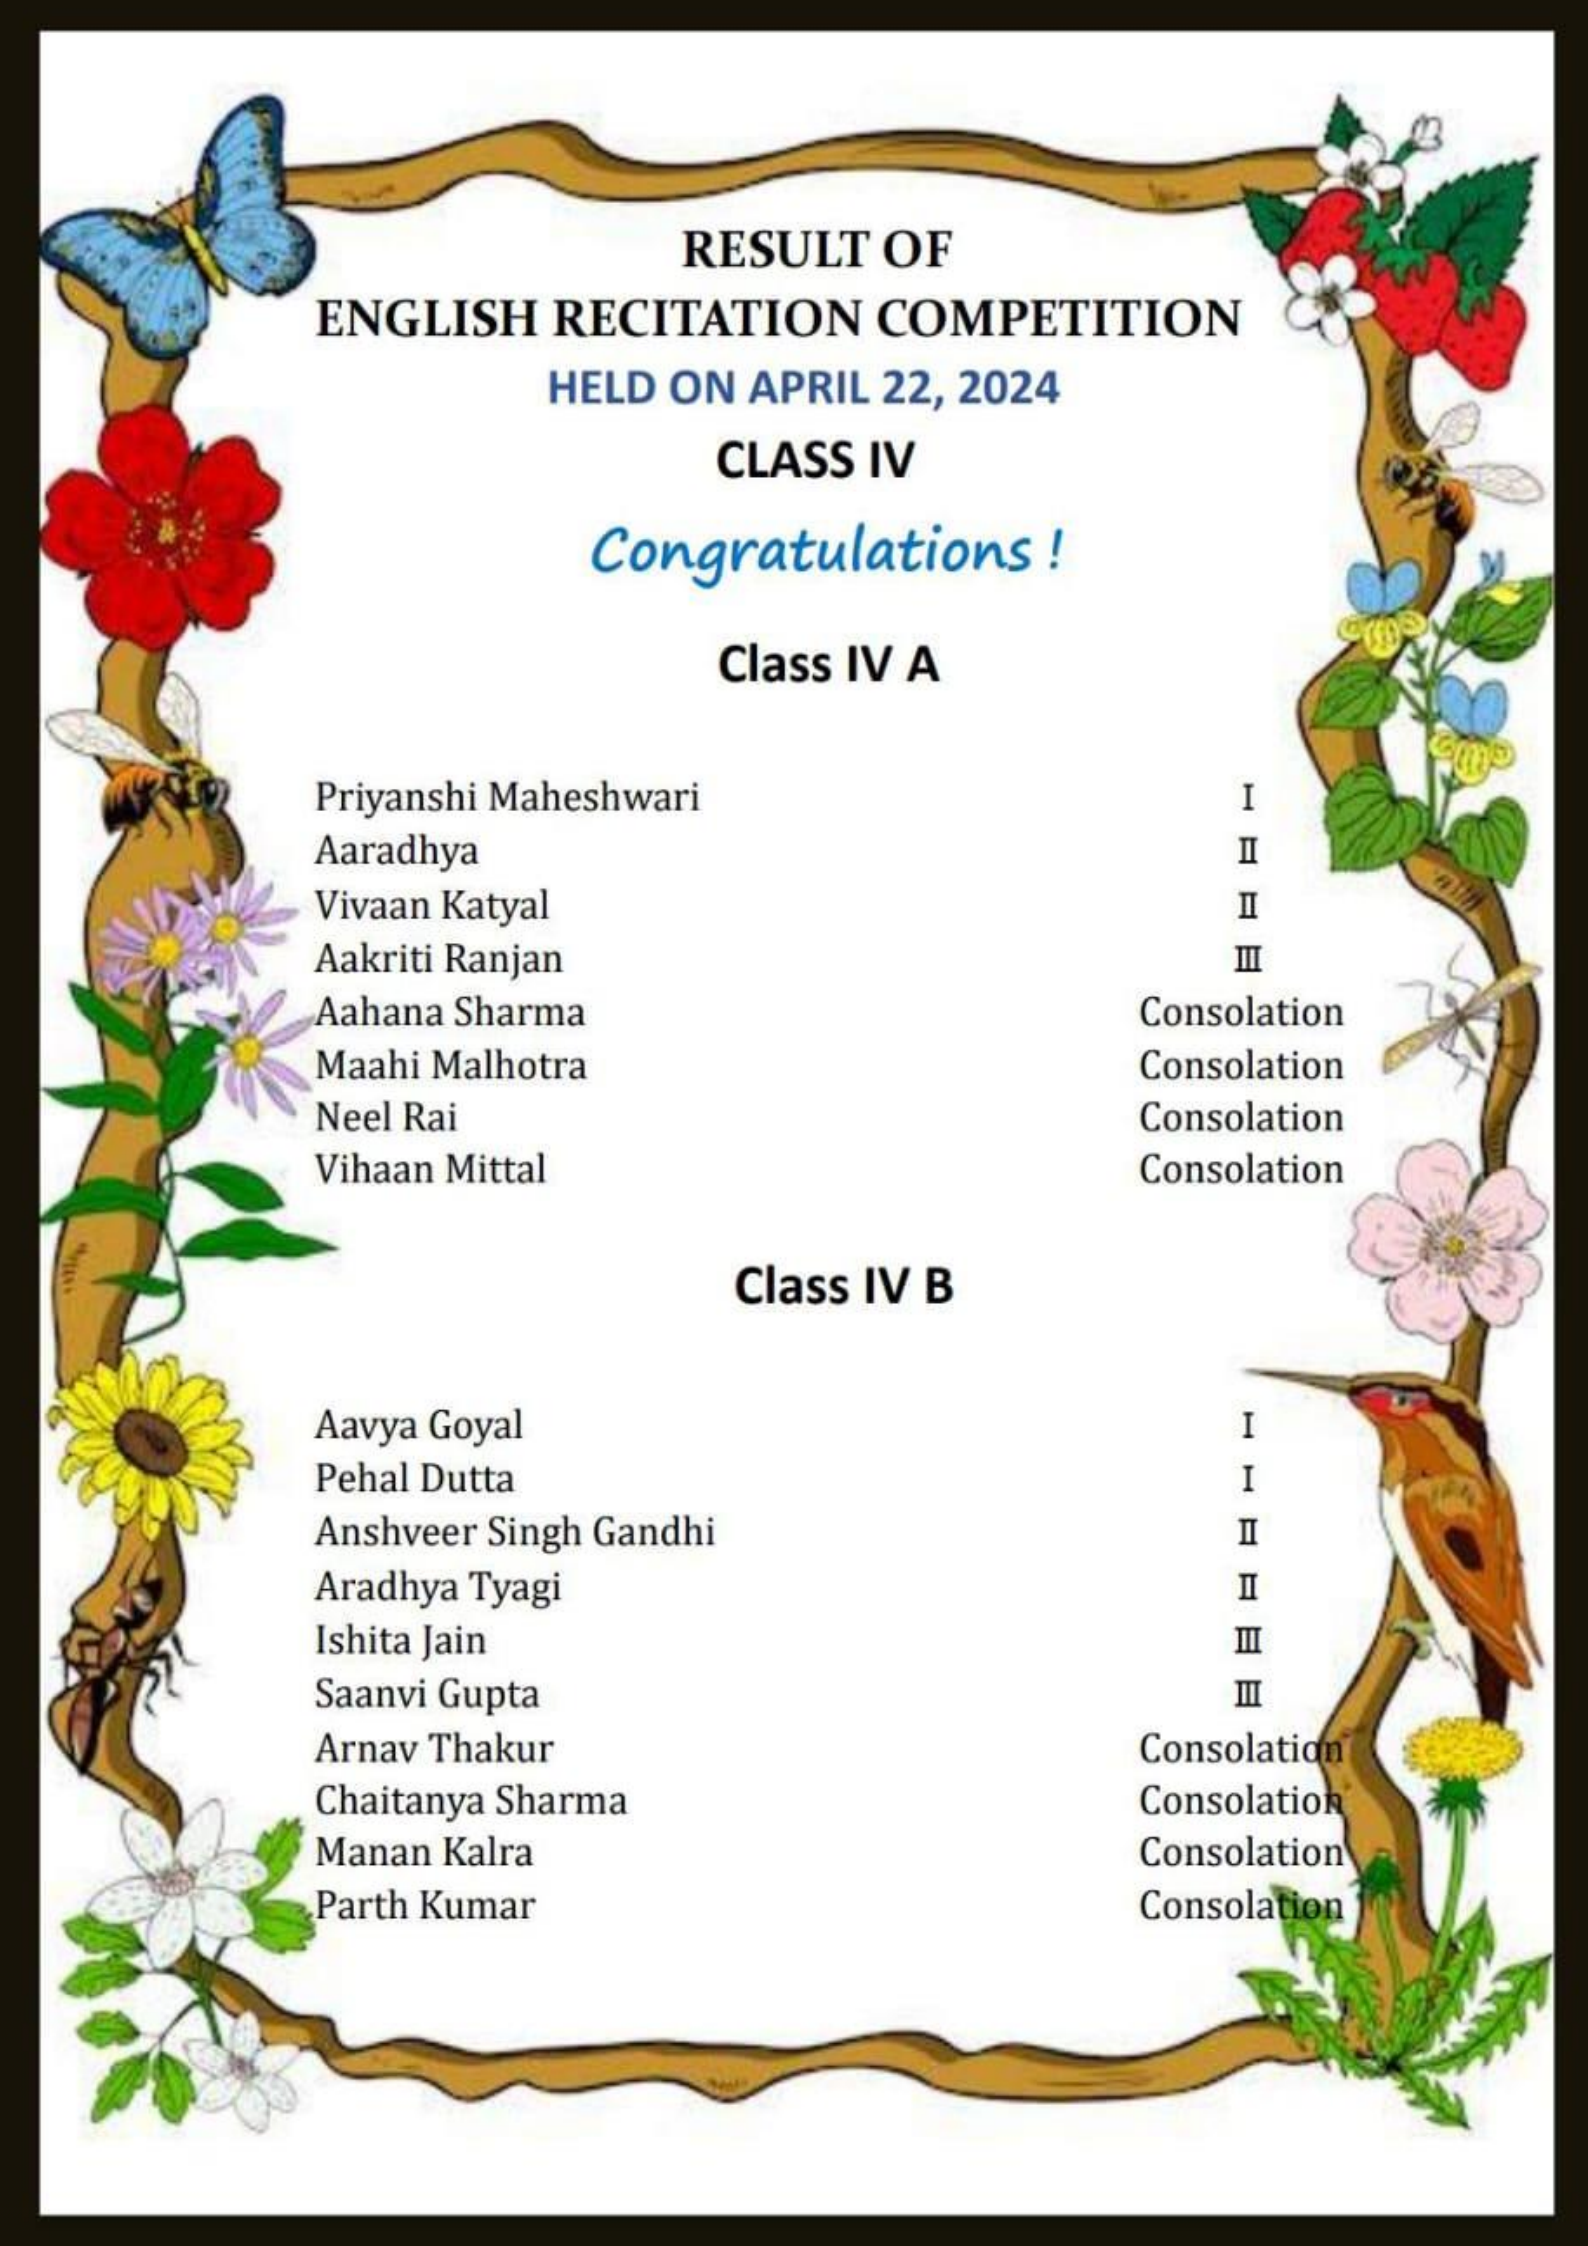

**The earth is what we all have in common” - Wendell**

April 22, celebrated as Earth Day was initiated to inspire all to rejoice and cherish the beautiful planet and to awaken the people on how they can be an asset in saving the Earth from pollution, global warming, water scarcity and other several concerns. We have always believed in grooming the learners to become alert citizens who can contribute positively in safeguarding and protecting this planet by instilling the belief that each one of them can become ‘Guardian of the Globe’.

To sensitize the students about the beauty of nature and to enhance their imagination and creativity, Adarsh Public School organised a English Recitation Competition for the students of Class 4 on the theme 'Nature'.

The participants showcased their versatility by reciting beautiful poems. They performed with confidence and much enthusiasm. The children were appreciated by the judges and audience for their brilliant performances.
