

MOM'S MASTER CHEF

FLAMELESS COOKING COMPETITION

A pinch of salt, so that I feel good, eating. A little portion of care, to make it inviting. A good mix of sugar and spices, to make sure I am enjoying. She served me, not just food! But her love!

Our school has organised a Flameless Cooking Competition for the students of Class III. It was an initiative to show their love and gestures to their mothers. The taste of Mother's recipes are unforgettable and connects you with childhood. With the view, students were motivated to prepare their mother's best recipe without using flame. They learnt about the nutrition values for the same. Through this activity, students were able to develop a spirit of teamwork, delegation of work and appreciation for the hard work put into cooking by mothers.

They served their recipes to the judges, Ms. Sakshi and Ms. Preeti. They appreciated the presentation of dishes done by team members. The students thoroughly enjoyed the competition as well as the food.
