

SAVE THE PLANET EARTH

GROUP SINGING COMPETITION

Class V

“Look deep into nature, and then you will understand everything better.” - Albert Einstein

Earth Day is celebrated on 22nd April every year. It serves as a reminder of our collective responsibility to protect and preserve our environment for future generations. To make students be more responsible to protect the Mother Earth an Inter House Group Song Singing Competition was organised for the students of Class V. Through this competition we aim to raise awareness and inspire action towards a greener and more sustainable world. All the four houses had the opportunity to showcase their creativity and passion for the planet through their musical talent. They were judged on the basis of Rhythm, synchronisation, expressions, costume, props and overall presentation. The Competition was judged by Ms. Jaspinder Kaur and Ms. Himani Chaddha, teachers from Adarsh Public School, Bali Nagar. They appreciated the hardwork of the students .
