JEWELLERY MAKING COMPETITION

CLASS V

"God could not be everywhere, and therefore he made mothers."

Of all the bonds we share during our lifetime, the most special one is the one that we have with our mothers! On this ‘Mothers’ Day’, the students of class V designed beautiful pieces of jewellery for their wonderful mothers, so as to make them feel special and loved. And what better gifts could be for them than the ones prepared by their budding artists with their own hands!

The competition was a vibrant celebration of creativity and skill for the students as they showcased an impressive array of designs using colourful clay, dough, wool, threads, cardboard etc. The intricate jewellery pieces were placed artistically in jewellery cases by the students. Their ability to transform ordinary materials into stunning pieces of art left the judges in awe. The Headmistress Ms. Anjali Marwah appreciated the participants’ zeal and motivated all to keep their competitive spirits high.
