

HARMONY WITH NATURE

ENGLISH RECITATION COMPETITION

In the quiet poetry of rustling leaves and flowing rivers, Nature recites the most timeless verses."

An English Poem Recitation Competition was held for students of Class III on 21st April, 2025. The theme for the competition was Save Environment. The competition aimed to raise awareness about environmental issues and inspire students to become responsible stewards of nature through the powerful medium of poetry. Students presented poems that highlighted pressing concerns such as pollution, deforestation, climate change, and the importance of protecting our planet. They recited their poems with clarity, expression and emotional depth. The judges appreciated the beautiful and creative props made by the children. Each performance conveyed a strong message about the urgent need to preserve our environment.

HARMONY WITH NATURE
