

Prakriti ka Nikhar

Inter-House Skit Competition

Class V

"The Earth has music for those who listen."

- William Shakespeare.

In celebration of Earth Day, our school hosted an Inter-House Skit Competition , where students creatively conveyed important environmental messages. The event saw enthusiastic participation from various houses, each showcasing unique performances on themes like Air , Water , Land and Wild Life . The competition not only highlighted the students' talents but also raised awareness about the importance of protecting our planet. They were judged on the basis of Content , Dialogue Delivery, Enactment and Overall Presentation. The competition was judged by Ms. Priti Talwar and Ms. Himani Malhotra , teaching faculty from APS , Bali Nagar and APS Vikaspuri. They appreciated the hard work of the students.
