

# JANMASHTAMI

*Krishna's smile is the sweetest blessing, and his stories are an eternal joy."*

To celebrate the joyous occasion of Janmashtami, an engaging and colourful activity was conducted for the students, where they showcased their creativity and devotion towards Lord Krishna.

The children were provided with outlines of matki, flute and morpankh on sheets, which they beautifully coloured and decorated using mirrors, studs, sequins, glitter, and other decorative materials. The activity aimed to help students connect with Indian culture and traditions through an artistic expression of love for Lord Krishna. This activity not only brought out the artistic flair in the students but also helped them understand the significance of Janmashtami in a fun and creative way. The final sheets looked festive and divine, truly capturing the spirit of the celebration.
