

## **LABOUR DAY**

### **HONOURING HARD WORK**

On 1st May, 2025 our school joyfully celebrated World Labour Day. Students of class Pre Primary proudly wore their career clothes to showcase their aspirations for the future.

This activity not only sparked imagination and ambition but also underscored the crucial role that every job played in our community. Whether a child dreams of becoming a doctor, a teacher or any other profession, each occupation contributes uniquely to the fabric of society. The event served as a platform for the students to learn, express and celebrate the spirit of Labour Day.
