

MS PAINT COMPETITION

Let the colours of creativity shine brighter than the lights of Diwali.

An MS Paint Competition was organized for the students of Class II on the theme “Diwali – The Festival of Lights.” The event aimed to encourage young minds to express their festive spirit through art and technology.

Students enthusiastically participated, using various tools of MS Paint to create beautiful images of diyas, rangolis, lamps, and celebrations. Their artworks glowed with imagination, colour and joy, perfectly reflecting the essence of Diwali.

The competition not only enhanced students’ computer and artistic skills but also nurtured their love for Indian festivals and culture. It was a delightful blend of creativity, learning, and festive cheer of Diwali.”
