

RAKSHABANDHAN

The thread of Rakhi is a symbol of love, trust, and an unbreakable bond between siblings.

The festival of Rakshabandhan was celebrated with great enthusiasm and festive spirit in the school, bringing alive the essence of this beautiful tradition that strengthens the bond of love and protection between brothers and sisters.

The celebration began with a special morning assembly, where students presented a heartwarming programme. The assembly included soulful song, poem and a short skit showcasing the significance of Rakshabandhan. The spirit of the festival was beautifully reflected in the performances, spreading the message of love, unity, and cultural pride.

Following the assembly, a Rakhi Making Competition was conducted. Students participated with great excitement and showcased their creativity and imagination. Using colourful threads, beads, mirrors, stones, and eco-friendly materials, the children crafted stunning rakhis that were both traditional and innovative. The event provided a wonderful platform for students to express their artistic talents while also learning the cultural significance of the festival.
