

RAIN DANCE PARTY

The weather forecast said fun, laughter, and a lot of splashes! 

Our little ones had a splashing good time at the Rain Dance. The excitement was palpable as the students of Pre-School and Pre-Primary put on their raincoats, grabbed their umbrellas, and stepped into a world of water, music, and joy. 

The event was filled with laughter and giggles as the children danced to their favourite tunes, enjoyed playful splashes, and experienced the refreshing feel of water on a warm day.
