

HALLOWEEN

The Pre-School and Primary children had a spook-tacular time celebrating Halloween! The school was filled with little ghosts, witches, pumpkins, and superheroes, all excited to show off their creative costumes.

Classrooms turned into spooky zones with bats, cobwebs, and pumpkins hanging around. The children enjoyed fun games, dance sessions, and a cheerful costume parade where everyone got to say “boo!” in style!

From trick-or-treat rounds to laughter echoing in the halls, the day was full of magic and joy. The celebration ended with big smiles, happy hearts, and lots of sweet memories to take home!
